### WE NEED YOU! Donate Today!

Supporting SMS is integral to your child's academic success and 100% participation is KEY. Imagine if every parent gave whatever amount they could..imagine how incredible each and every person would feel knowing that they are an essential part of our collective success!

The success of our fundraising efforts allows the PTSA, which includes the teachers and administrators at SMS, to sustain and enhance existing programs as well as support new ones. How does your donation help? Here are just a few examples:

- Technology in the Classrooms
- Educational Field Trips
- Supplies for Electives
- Sound System
- Agendas
- After School Sport Uniforms and Equipment
- Clubs
- Band
- Department Grants
- Teacher appreciation
- Much, MUCH more

The PTSA helps fund all of the above items as well as funds grants to each teacher. **Your support reaches EVERY child at SMS.** What does that mean? That means Support Our Students is Supporting **YOUR** Student!

Want to double your donation? Talk with your employer! Many companies will match your donation, so you can make your impact even bigger!

Our goal is to raise over **\$100,000!** We are asking that each family donate **\$300.** **But no gift is too small...and though we are hoping to raise as much money as possible for our students, our larger goal is to increase the number of families who support these programs.**

Please make a meaningful donation today by filling out the attached form. On behalf of our students, thank you for your generosity.

Sincerely,

Annemarie Venken/Angela Hixson/Darla McCann
